

Corey and Tona Kautz

Reaching Colombia Through The Next Generation

Spring Is Here

It has been a long, very cold winter, but praise God spring has begun! It's always a beautiful time as the flowers begin to bloom and everything seems to come to life again. We are praying that during this time of new life God is renewing your spirit and blessing you, your family and your church abundantly.

Medellín, Colombia is known as the "City of Eternal Spring".

Year round high temperatures sit around 80 degrees and lows rarely dip below 60 degrees.

Itineration Update

We see God doing mighty works throughout our churches during difficult economic times as believers are trusting Him to supply their needs. We'd like to say a very special thank you to all of the pastors and congregations who have opened their doors to us, showered us with love and prayers and become part of our support team. You're in our hearts and prayers. God bless you!

Help Us Reach Colombia

We need monthly supporters! If you have not already become a support partner with us, please consider joining now. We cannot leave for the field until we have enough monthly commitments. You can help make a difference in Colombia! Please fill out the form included with this letter and send it in.

Prayer Requests

Praise God, we've all been healthy through this winter. Please continue to lift up our financial needs as we work to raise our monthly pledges and cash budget. Our goal is to be fully funded by the end of this year so that in January we can be on our way back to the field.

MK Corner

Alex and Maggie are doing great! Alex has begun a new soccer season. Maggie recently won a t-shirt design contest at school. We'll post updates on their blog when we get the final product.
