## Reaching Colombia Through The Next Generation

Winter 2010

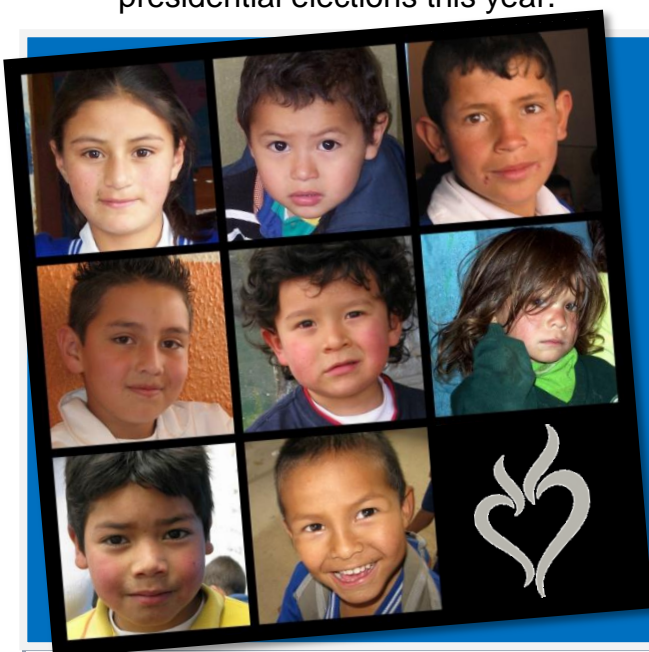

### Happy New Year!

We hope you had a wonderful Christmas and start to 2010. This year will be very exciting as we finish our fundraising and leave for Colombia! We appreciate the prayers and support of the hundreds of people who have blessed us as we've traveled throughout 2009 sharing the need for the gospel in Colombia. One of our favorite parts of itineration has been BGMC (Boys and Girls Missionary Challenge) Sundays, watching as children raid the church for their change and carry the coins they have been saving to help buy ministry supplies for missionaries. In 2009, children across the nation raised over \$6 million for missions!

We are hoping to board a plane for Colombia in April, but we still need to raise \$5000 in new support before we are allowed to leave. If you have not yet joined us as a monthly support partner, we ask that you would do it now. Whether it is a \$10/month, \$100/month, somewhere in-between or far above and beyond – every little bit helps. Will you, in faith, partner with our ministry to Colombia? Your help is needed to reach the youth and children of this hurting nation.

We are praying for you. Please use the contact information below to send us your needs. Every morning we lift you up in our prayers. To our prayer partners, thank you for remembering us. As you pray, please lift up the following requests:

- Continue to ask the Lord to open doors for our support raising so that our next newsletter may come to you from the field!
- Lift up the people of Colombia. Ask for peace and guidance, especially during the Colombian presidential elections this year.

“The economic impact of the civil conflict [in Colombia] is significant: if Colombia had been in peace for the last 20 years, the per capita income of the average Colombian would be 50% higher today, and it is estimated that 2.5 million children would live above the poverty line.”
