

Corey and Tona Kautz

Reaching Colombia Through The Next Generation

Fall 2010

We Stand Amazed

In the past few months we have watched God do incredible works all around us. We were hoping for a September departure and were disappointed when our support did not come together in time. The first weeks of October we received a call that told us we had used up all of the allotted time to raise our funds and if they were not raised within a week, we faced being cut from the missions program altogether. We have never doubted our call to Colombia, but when we received that phone call, confusion and fear overwhelmed us for a minute.

The next week was unbelievable. We needed \$1000 in monthly support to fulfill our minimum budget. Over the last few months combined we have raised less than that, but in one week, day after day, we watched that number fly down and at the end of the week we were at 102% raised! Just a couple of days ago we received another call – we had fulfilled all of our requirements and had final clearance to go to the field. We will depart on January 5, 2011 to go first to Costa Rica for language school and then on to Colombia.

God's timing can be hard to grasp. We wonder why He would keep us longer, why it must come down to the last minute, but looking over the "extra" time we've been stateside, there are several events that have passed that confirmed we were here with purpose.

Shortly after the September deadline passed, Tona was on a flight where she was seated next to a young mother who was on the verge of walking away from her husband and small child. The flight was only an hour and a half long, but in that time Tona was able to listen and share with this young woman and pray with her at the end of the flight. This experience, along with so many others, reminds us that God knows the plans He has for us and His timing is perfect!

We Need Your Email Address

The mail system in Colombia unfortunately is very unreliable. As we prepare to leave, we will rely primarily on electronic means to connect with you.

Every month we send out an update via email. If you have not been receiving these updates, please send a message to tona@kautzfamily.org. Include your name and email address and we'll get you signed up immediately so you won't miss a moment!

Let's Put Some Meat On Those Bones

In order to reach 100% we made some very big cuts to our budget, trimming it down to bare bones. If you have not joined our support team, please consider doing so. We want to go into Colombia strong and with all of the tools necessary to reach as many souls as possible.

Prayer Requests

- Favor as we purchase tickets and prepare for visa processes.
- A smooth transition emotionally, through customs, back into Spanish, etc.
- New supporters and prayer partners to help us go fully funded.

Around Home

Maggie turned 13 in October. Both Alex and Maggie have done wonderfully in school and are looking forward to the adventure ahead. Alex has begun playing the keyboard and Maggie has begun playing the guitar. Both desire to be much more involved in ministry in Colombia and are taking every measure to prepare for what lies ahead.
