

KAUTZ

MISSIONARIES TO

COLOMBIA

Spirit lead me where my trust is
WITHOUT BORDERS

It's Almost Time to Go. Our year of fundraising is winding down.

It sounds cliché to say this year has flown by, but in just six short weeks we will head back to Colombia, at least for a visit. Our year of fundraising is coming to an end and **our Colombian visas require that we be in the country by January 25th** to continue working towards residency. We're hoping to be able to stay on and begin our next four year cycle, but we need a huge end-of-the-year push to make that happen.

This year has been filled with so many wonderful encounters with new and old friends, people who have faithfully prayed and given over the last eight years so we could pour our lives into families in Colombia. We end this year knowing we are blessed beyond measure and that this endeavor requires many hearts and many hands to be successful. We're so grateful for the love we have been shown as we have traveled.

The next several weeks will be full of treasured time with family and friends before we say goodbye once again. This time will be especially difficult because we also will say goodbye to Alex as he continues his time at Southeastern University. However, the hope, anticipation and excitement of all the work we have waiting for us in Colombia motivates us to keep moving forward.

Please pray for the following needs:

- That God would provide the finances we need to begin this next term in January.
- For Alex as he takes his first college final exams.
- For our family as we begin to prepare for the next transition.
- For our team in Colombia as they continue to grow in the ministries that were launched last term.

You can see from the numbers above, that we have just a little ways to go to complete our monthly support partner base. However, we need a lot of help in our up front cash budget. Those funds are used to get us to the field and cover initial personal and ministry expenses. If you'd like to become a monthly support partner or give a one-time gift, please visit s1.ag.org/kautz. All gifts are tax-deductible. **There is no gift too small or too large.**
