

Merry Christmas
From the Kautz Kids

My name is Maggie Kautz. I am a 12 year old missionary. We have moved around a lot and I never knew what it felt like to be at home until I went to Colombia. Colombia is home to me and I like to help and play with the kids there. I would like very much to go back home so we may help the children in Colombia and show them that there is hope. We need your help so we can raise our support so that we can do that. If you could please think about at least \$5 a month it would make a huge difference for us so we could get back home faster and help the children of Colombia.

I like Colombia because it seemed like every time we turned our backs it was another friend, but to us they were not friends – they were family and we seemed to always have a lot of fun to see the faces of the children as they smile and get school supplies and when we play with them. Another thing I liked to do was go to the kids' camps and play with all the kids.

My only wish is that I could get back to Colombia as soon as possible. Would you please help give us support so that we may go back to Colombia?

Merry Christmas,

Maggie

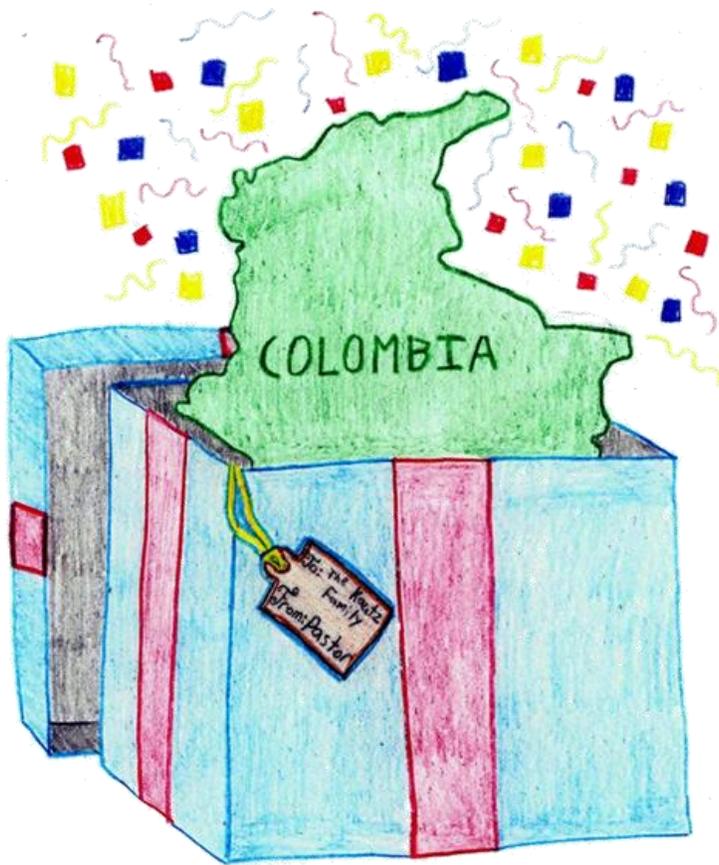

If you were to ask Maggie what she wants this Christmas, her response might surprise you. Her list is small, just one material item. The one thing she wants most is, "to go home", which in Maggie's heart is Colombia. We are all in agreement with her. She asked us to let her write a letter so that everyone will know how much she wants to return to Colombia.

This Christmas you can help make an impact in Colombia. By partnering with our ministry you can send us as your ambassadors to help the youth and children of Colombia. A small monthly gift will help us return to Colombia soon. Our prayer is that we will be able to return at the beginning of April, but we must raise a set amount of monthly support before that is possible.

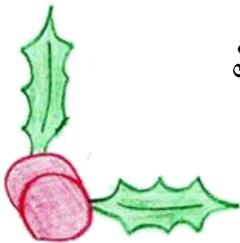

There is no minimum or maximum that we are asking you to consider. You may be able to give \$5, \$10, \$50 a month or more. Every contribution makes a difference. Please fill out the form included with this letter and help us reach Colombia.

Blessings,
Corey and Tona Kautz

the only thing we want
for christmas is to go home.
